Your client has waived attorney client privilege for the limited purpose of this review. We represent that we will keep this information confidential unless we must respond to a lawful court order or subpoena.

The cash advance we provide is contingent upon your client's successful recovery and does not affect attorney fees. Our investment is secured by a security interest and lien in the proceeds of the case. Your firm will pay us directly from your client's proceeds upon our confirmation of the final lien amount.

We ask that you send the requested documents to our office quickly so that your client's application can be processed immediately.

Very truly yours,
